**What is the longest chapter in the Bible?**

**Answer - Psalms 119**

**Which chapter is in the center of the Bible?**

**Answer - Psalms 118**

**There are 594 chapters before Psalms 118.**

**There are 594 chapters after Psalms 118.**

**Add up the 594 plus 594, and you get 1188.**

**What is the center verse in the Bible?**

**Answer - Psalms 118:8**

Does this verse say something significant about God's perfect will for our lives?

The next time someone says they would like to find God's perfect will for their lives and that they want to be in the center of His will, just send them to the center of His Word!

**" It is better to trust in the LORD than to put confidence in man. " Psalms 118:8 (NKJV)**

Now isn't it amazing how this worked out (or was God in the center of it)?
