

OUR "JOURNEY"

Volume II - Issue 2

Summer 2004

SUMMER

A time of sunshine and flowers
and God created both.

Let us say **Thank You** for all our blessings and for the opportunity of **knowing and doing the will of God.**

This summer we will also be **working together to bridge the gap for those who desire a relationship with God in a non-traditional environment** as we continue our pancake breakfasts in the park. **We hope to see you all there.**

PRESIDENT'S REPORT

I am excited about what God is doing. If we have faith and obey His commands He will provide all our needs. Boy, has He provided in our feeding the homeless ministry, we are so blessed. If we have a personal intimate love relationship with Jesus Christ, He will provide all our needs. Once we have our relationship correct, it is our prayer, our faith, and our obedience to Him that will give us success in ministry to know and do His will. Not our will but, *"Thy will be done on earth as it is in heaven."* We are a faith ministry and as such it is important to remember that if God is in it He will guide us and provide all we need to do that ministry. It is His ministry and we are joining Him in whatever He is doing. The key is still the same, to find out what God is doing and join in.

Our Bible Discussion ministry is continuing every Tuesday night and we are blessed more and more as we dig into His Word. I have been feeling very drained lately and have been struggling with what to teach. But God is faithful! He has...*set my feet upon a rock, and established my steps. He has put a new song in my mouth—Praise to our God...(Psalm 40:2-3).* Always remember, *... "Those who wait on the LORD shall renew their strength; They shall mount up with wings like eagles, They shall run and not be weary, They shall walk and not faint" (Isa. 40:31).*

God is so good, if we would only trust Him and obey Him. Our new intercessory prayer ministry is one of the cornerstones of Bridge to Faith Ministries. We have been blessed with answers to prayer and with more requests coming in daily, we need more prayer warriors and remember that... *"The effective, fervent prayer of a righteous man avails much" (James 5:16).* May God Bless you all, your faithful servant leader, Gord Trca.

FEED THE HOMELESS MINISTRY

On March 03, 2004 two organizations teamed up to take on a mission to Feed the Homeless: Bridge to Faith Ministries Society and Equalizer Security. We have had the use of the Salvation Army's Disaster Response Vehicle, which has a fully equipped industrial kitchen. The company that has donated a lot of the food to make this mission possible is the Kalmar Restaurant. We have gone out every Wednesday for the last ten weeks and we have fed between one hundred to one hundred and fifty people each and every Wednesday.

Bridge to Faith Ministries and Equalizer Security have also been blessed to meet a lot of Christian people from the Alliance Church who branched out on their own and became involved by volunteering to feed the homeless. They have come every Wednesday and have brought a lot of food and various types of new clothing as well as tickets to the Passion Of The Christ, which Bridge To Faith Ministries also attended. We have been blessed in such a short period of time - we can only pray that we get more blessed in this ministry and that more good things happen, as the Lord sees fit. The Missions Team Leader would like to thank all volunteers for the great job that they are doing and for all contributions they have made to make this ministry such a great success. God Bless.
